Dear Mr. Bekey:

On behalf of the students and staff involved in the Agency's first Seminar on S&T Forecasting, I would like to express our appreciation for your presentation on the U.S. space programs. Your briefing was a significant contribution for those analysts responsible for assessing the Soviet space program.

Student comments on your briefing were: "outstanding," "excellent," "relevant to seminar," and "worth repeating."

I hope that we may count on you to brief any future runnings of the S&T Forecasting Seminar.

Sincerely,

Director
